Our 'We're All in this Together' E-Gift Cards can be purchased online, and work using a barcode which is sent to the email address provided during online checkout. The volunteer shopper then simply scans the barcode on their phone at the self-checkout or reads their E-Gift Card number to the colleague at the till, and the value is deducted from the customer's E-Gift Card balance. You can purchase these cards here.
Waitrose	John Lewis Gift Card		Yes	yes		www.johnlewisgiftcard.com	We have launched a dedicated e-gift card for self-isolating customers who are unable to get to the shops themselves, and want to organise a simple, safe and contact-free payment for groceries delivered by friends, neighbours, family members or volunteers. The gift card can be purchased online at www.johnlewisgiftcard.com , and can then be emailed directly to friends, neighbours, family members or volunteers for them to use in our shops. Customers can purchase e-gift cards in £10 denominations up to £500
